Subject: Testimony: Senate Bill 123: AN ACT REPEALING THE RISK REDUCTION CREDIT PROGRAM.

I support Senate Bill 123. Many of the political grand-standers in this legislature support ANY bill that would impact law-abiding citizens ability to own guns yet you passed legislation allowing these violent criminals to 'earn' time off their sentences. Frequently we hear the phrase 'if it would save just one life'. Apply that principle here where we know it would be true. This bill should be a no-brainer. The Risk Reduction Credit Program needs to be ended. It is as simple as 1-2-3.

Do the right thing!
